

ATPJET CPE

Integrates Value with state-of-the-art Inkjet Technology

Series high speed inkjet cutting plotter promotion model

Feature:

- Cartridge and Ink Level Auto Inspection
- Two ways for taking up paper (free on floor / take up bar)
- Encoder Strip to ensure the Accuracy
- No longer sensitive to the dust during the cutting work
- Easy maintains and easy knife changing

New Features:

- Cartridge automatic cleaning
- Best Cutting Accuracy and best plotting quality
- 24 hours Nonstop Plotting under Unattended Environment
- One machine place you got one cutter and one plotter

ATPJET CPS series inkjet cutting plotter supplies you one cutter plus one inkjet plotter together but only one machines place. Thanks the best technical support from HP that our cartridges of cutting plotters not sensitive with the dust anymore. It will save you more time for cleaning the cartridges. According to the first class spare parts with best quality material and HAAS CNC'S help that our cutting plotter can plotting with highest speed and cutting with the highest speed with very quiet working voice. It nearly can meet all of your requirement in the daily work. The Inkjet Cutting Plotter will be one popular model for the future. ATPJET CPE is our promotion model for all the people can use our best technology and our cutting plotters already test by 2000 busy users in China and all of them happy with our products and service. Never hesitate and please try our CPE cutting plotter now.

INDUSTRIAL

APTJET CPE Series Specification

| | | | | |
|--|--|-----------------|-----------------|-----------------|
| Model | ATPJET-2186CPE | ATPJET-2186CPE | ATPJET-2186CPE | ATPJET-2186CPE |
| Working Width Other Size can customize | 120cm (47.24in) | 165cm (64.96in) | 185cm (72.83in) | 205cm (80.71in) |
| Cartridge Quantity | 2 | | | |
| Speed (Test Marker Max plotting width X 5000mm) | ≤100m ² /h (150dpi) | | | |
| Cutting Speed | Vector 1100mm/s | | | |
| Max Power Consumption | 300W Cutter 150W Plotter | | | |
| AC Power | 110V/220V @50-60HZ | | | |
| Material/Thickness of Cutting | Plotting paper, craft paper and other common paper 40-300g/m ² (>300g/m ² order by customize) / 0.3mm | | | |
| Material Fixing | Roller Rubbing | | | |
| Max Plotting Resolution and Economic Plotting Resolution | 150DPI and different width of lines | | | |
| Working Cutting Precision Tolerance | < 1 ‰ | | | |
| Inkjet technology | HP 51645A or HP 51645B or Compatible one | | | |
| Paper Feeding System | Inner diameter 3 inch, maximal outer diameter 12 inch, advised maximal weight 45kg (You also can customized by yourself some customer use 110Kg weight paper) Front/Back Paper Feeding system (Front Paper Feeding system is default one) | | | |
| Paper | ≥20g/m ² Advise use ≥40 g/m ² | | | |
| Paper Taking-Up System | 1. Use the Take-up Paper Shaft for the big quantity markers plotting 2. Desuetude the Take-Up Paper Shaft for the separately marker or small quantity markers plotting Both of the two methods can save more paper with better operation environment and save your golden time | | | |
| Construction | USA Style, Intergrate, High Rigid, Hard-wearing Structure Insure the life time is 5 times longer than other similar products. | | | |
| File Formats Accepted | HPGL (Other Formate we can customize for you) | | | |
| Pc Interface | USB (Ethernet Option) | | | |
| Control Model | Control Panel is Durable and Easy to use. | | | |
| Cleaning of Cartridge | Cleaning by Electronic Control | | | |
| Cartridge Inspection | Automatically inspection of the Cartridge and Ink Automatically inspection of the Ink Level Automatically Cartridge Optimize | | | |
| Machine Dimensions (WxDxH) | 1910x550x1020mm | 2310x550x1020mm | 2510x550x1020mm | 2710x550x1020mm |
| Packing Dimensions (WxDxH) | 2280x670x720mm | 2480x670x720mm | 2680x670x720mm | 2880x670x720mm |
| Packing Weight | 118 KG | 125 KG | 135 KG | 140 KG |
| Noise Level | < 50dB | | | |
| Advantage Function | Real time Speed and Press adjust, Reverse Cutting Reverse Plotting, Real time erro correction, Real time bi-direction control, Highest resolution, highest accuracy, faster, longer lifetime, cutter+inkjet plotter in one machine | | | |
| Software Requirements | WINDOWS 7/8 32/64 WINDOWS XP WINDOWS 10 | | | |

NOTE

- Configurations vary according to options selected.
- Specifications are subject to change without notice.
- Color in catalog just for reference the machine color as the demo machine.
- Our products are patent protected.
